2017 BID Renewal - Outstanding Rebates

Per the Arts District Management Plan, owners within the Arts District BID boundaries were assessed for a full year of services, beginning January 1, 2014. However, clean and safe services did not begin until June 1, 2014.

In 2014, the Board of Directors voted to create each owner for the five months of non-service. To date, there are still property owners who have not yet collected their rebate. If you have not received your 2014 rebate or are not sure, please contact the ADLA Executive Director via email Miguel@artsdistrictla.org or by calling (213) 236-0907.
